Mission Statement

The Mission of The Northwestern Band of the Shoshone Nation Housing Services Department is to achieve program and individual self-sufficiency through providing decent, safe, and sanitary housing for eligible low-income Native American families residing in its properties, with preference given to Northwestern Band of the Shoshone Nation Tribal members, elders, veterans, members with disabilities and families with children. The Housing Services Department and Housing Services Board of Commissioners work to eradicate substandard housing, eliminate homelessness, to offer assistance to new and current homeowners, and increase affordable rental housing and homeownership opportunities for low and very low-income Native Americans.
